

MIMOSA PUBLIC SCHOOL

Respect, Responsibility, Effort, Resilience

Dear Parents and Carers,

Yaama! Welcome to Mimosa Public School.

Mimosa is an inclusive and innovative learning community dedicated to providing the best educational experience for our students, staff and families. We focus on wellbeing, positive relationships and holistic development, ensuring each child is supported emotionally, socially and academically.

Nestled in the beautiful bushland grounds of the Saltwater People, our school features ample outdoor spaces that encourage play and exploration, including play structures, sporting equipment and a vegetable garden. Catering to approximately 560 students from Kindergarten to Year 6, our well-resourced classrooms support ambitious learning goals through hands-on materials and technology.

Our dedicated teaching staff employs engaging programs aligned with the NSW curriculum, promoting excellence and equity. We offer various extracurricular activities, including sports, leadership initiatives, coding and creative pursuits such as dance, drama, music and choir. The school houses an on-site long day care centre and Before School and After School Care Program which, along with our strong connection with Davidson High School, fosters positive transitions for students from preschool to high school.

We instill core values of respect, responsibility, resilience and effort, creating a supportive and anti-bullying environment. Our wellbeing initiatives, including the Second Step program and Daringyan Room, help students build respectful relationships and develop essential interpersonal skills.

We value community involvement and encourage families to participate in school activities, fostering a warm and connected environment. Thank you for considering Mimosa Public School as a partner in your child's education. We look forward to welcoming you to our community!

Kindest regards,

Leesa Martin
Principal
