

Mimosa P&C

Presidents Report

August 2019

Thank you to all our volunteers and committee members, commitment and effort as always is appreciated.

Our Survey Summary was included in newsletter 2 weeks back, thanks to Shelley for writing it up. The Key Priorities and Wish List items were presented to the school community, haven't heard of any feedback. Also thanks to Shelley for representing the P&C at the class representatives meeting.

Thank you to Amy and Shelley for doing the wage adjustments for the canteen and uniform staff. New additions to the canteen menu have been welcomed.

Seeing the fruits of some of our fundraising initiatives with the start of the shade sail construction. Trivia was a fabulous night, love to know the amount raised. Canteen had the Hot dog day which was a great success.

Fireworks ramping up soon. There has been lots of work going on in the background. Raffle is currently worth over \$11,000 and selling starts mid-September. Exec committee need to stay on top of authorisations as its about to get busy. First general Fireworks meeting is on Weds 21st August to see a demo of the project management program being put in place, amazing initiative designed to sure up the event moving into the future.

I heard the Open day for Education week was a fabulous day and really looking forward to book week and of course the amazing school concert in September. Big thanks to Fiona and all the staff for doing such a wonderful job with these events.

On that note I wanted to suggest the idea of the P&C doing something this year to acknowledge the efforts and important contribution of our staff on World Teachers Day. It will be held on Friday 25 October, last Friday in October.
