

P&C Uniform Shop Report for 9/04/2019

New Uniform Shop Co-ordinator

I have enjoyed my first few weeks as the Co-Ordinator. Deb has continued to help me with any queries.

We held our Uniform Sub-Committee meeting on Tuesday 26th and all the positions have been filled.

Charlene Potgieter – Treasurer

Louise Hennessy – Rosters

We also voted in the following positions:

Simone Davis – Secretary

Corienne Boal – STAR co-ordinator

The minutes from the meeting will be posted on the Mimosa website once they are complete.

Polar Fleece Jackets

Pre-orders has started without the lost property tag. As discussed in the last P&C meeting, we decided to go for a good quality of the fleece jacket without the tag, rather than having the thinner fleece jackets with a property tag.

Sustainable Schoolwear

Thank you all who were involved in resolving the issue with the supplier of the Summer dresses. The dresses have been delivered and been paid for. We will re-size them ourselves as the supplier refused to do this. I hope this will be the end of this unfortunate situation.

I felt very supported by the P&C and I am very grateful for the assistance by the P&C in dealing with the supplier.

Virus Protection for Uniform Shop P&C

The PC has been without protection for several months – I would like advice on how this should be paid for .

Price changes to uniform clothing

I suggest we review the prices of the uniforms in June/July (before sending out details to the kindy 2020 parents).
