

Presidents report 25th March 2019

In the March P&C Meeting we held the first fund sourcing workshop to discuss options for how to raise funds this year, and discussed the wish list for how these funds will be used to enhance the school. We discussed the responses to the fundraising survey that 87 parents completed, and the ways in which people would like to see this money spent.

We talked about the different options that are available through events, grants, DGR, sponsorship, bequests and agreed to continue the discussion in April, to assess how much could be raised through each source versus the effort and skills required to raise the funds.

During the meeting, Deb raised that there may be an issue with one of the suppliers to the uniform shop. During the month, Gretta, Deb, Helene and I resolved the outstanding issue and ended the relationship with the supplier.

Thanks,
